Modification of Terms

GotSMS reserves the right to modify, update, or replace any part of these Terms and Conditions at any time, at our sole discretion.

Your continued use of our services constitutes your acceptance of any changes.

If you do not agree with the updated Terms, you may terminate your acceptance by discontinuing the use of our services.

Prohibited Activities

Use of our services to engage in, promote, or facilitate illegal or abusive activities is strictly prohibited.

Any misuse of our services will result in immediate and indefinite suspension or termination of access, regardless of payment status.

Our services are available only to individuals 13 years of age or older.

If any user is found to be under this age, all associated accounts and services will be terminated immediately.

Accounts

You are responsible for providing accurate, current, and complete information when creating an account.

You are solely responsible for maintaining the security of your account credentials, including usernames, passwords, and any other identifying information.

You agree to keep your account information up to date at all times.

Creating multiple accounts to circumvent a suspension, ban, or restriction is strictly prohibited and will result in the termination of all related accounts.

Phone Numbers

Any phone numbers ("numbers") provided to you through our services are temporary and not your property.

These numbers are provided for verification purposes only and may change or become unavailable at any time, at our discretion.

Sharing, reselling, or disclosing these numbers to third parties is prohibited and constitutes a violation of these Terms, which may result in account termination.

By using our services, you acknowledge that:

- Number availability is subject to change.
- GotSMS is not responsible for any consequences arising from the use or misuse of a number.
- The Service is limited to verification processes only — beginning when you request a number and ending once you receive the verification code.

By using our services, you agree to indemnify, defend, and hold harmless GotSMS, its owners, and affiliates from and against any liability arising out of your use of the Service or any provided numbers.

Purchases, Cancellation, and Refunds

We accept various payment methods, including credit/debit cards and certain cryptocurrencies.

We reserve the right to modify or discontinue payment methods at any time, at our discretion. To use our services, you may be required to purchase GotSMS credits through available payment methods.

We are not responsible for incorrect payments, payments to impersonating entities, or payment errors made by users.

Prices, credit values, and payment options are subject to change at any time.

Refunds or credit reversals are evaluated on a case-by-case basis.

Payments made in cryptocurrency are non-refundable.

We reserve the right to deny a refund for any reason, including, but not limited to, misuse of our services or violation of these Terms.

Users may cancel their use of services at their discretion, except where services are terminated due to a violation of these Terms.

Refunds are not issued for voluntary cancellations or unused time.

Delivery

Service delivery begins immediately upon successful payment and account activation.

GotSMS provides digital services only; no physical products are included.

If you experience issues accessing the Service, it is your responsibility to contact technical support for assistance.

We may restrict or deny delivery of services if your account has been previously banned or terminated.

It is your responsibility to ensure your account is in good standing before using our services.

Warranties Disclaimer

We make no warranties or representations that the Service:

1. Will always be available or uninterrupted, or
2. Will be free of errors or defects.

GotSMS reserves the right to modify, suspend, or discontinue any part of the Service at any time, for any reason, without notice or liability.

Severability Clause

If any provision of these Terms is determined to be invalid, illegal, or unenforceable, such determination shall not affect the validity or enforceability of the remaining provisions.

The invalid provision shall be modified to the extent necessary to make it valid, enforceable, and reflective of the original intent of GotSMS.
